Are you ready to elevate your practice and make a meaningful impact in your community?

Join The MATOD Blueprint, an immersive workshop designed specifically for Victorian practitioners passionate about addressing the challenges of opioid dependence.

Why Choose The MATOD Blueprint?

Comprehensive Accreditation: Become accredited by the Department of Health to prescribe MATOD (Medication-Assisted Treatment for Opioid Dependence).

Interactive Learning: Engage with our experienced facilitator and peers in a supportive, collaborative environment.

Immediate Impact: Equip yourself with skills urgently needed to combat rising opioid dependence.

What's in It for You?

Enhance Your Expertise: Master MATOD protocols, patient care strategies and the latest in opioid treatment practices.

Strengthen Community Health: Transform lives by addressing one of Australia's critical health challenges.

Build Connections: Join a network of practitioners dedicated to making a difference.

The demand for qualified prescribers is more critical than ever. Take this opportunity to expand your impact and provide hope to individuals in need. Enroll in The MATOD Blueprint today and become a driving force for positive change in opioid treatment care.
